PRESIDENT'S MESSAGE:

Dear Fellow Members of the Watchmakers' Association of New Jersey,

The attendance at our March meeting was excellent. The Zenith Chemical Company presentation was successful and their representative discussed and reviewed their products. I am looking forward to seeing all of you at our next meeting which is **Wednesday, April 22nd at 7pm.**

Earlier this month, I had the opportunity to attend at New York Watchmakers' Association meeting as a guest in the city. Jordan Fliklin, the Executive Director of AWCI was the speaker. He led an impressive discussion about the future of the AWCI. I also had the privilege of attending the very first online version of the Board of Directors meeting for the AWCI. I am certain that these online meetings will open many doors of opportunity.

Please let me know if anyone is interested in attending the Horological Association of Virginia's convention with me May 1st through the 3rd. I am happy to drive, just call me at 732-818-9460 to make arrangements.

Finally thank you to everyone who has paid their dues. If you have not paid as of April 6th your address label will not have a check mark next to your name. Please send your dues payment to Hans Weber, 39 Cornell Avenue, Hawthorne, NJ 07506, or bring it with you to the April meeting.

Sincerely,
Richard Cuny, CMW
President, Watchmakers' Association of New Jersey, Inc.
