President's Message:

Dear Fellow Members of WANJ,

Welcome to WANJ in 2013. As your newly elected president, I like to greet all of you and hope for good attendance at our upcoming meetings. As in the past, we will have free tables for buy and sell to all members.

Treasurer & Membership Chairman's Message:

Our dues collection had a good start. We have 24 paid up members and you will find your yellow membership card enclosed. If you find the Green Dues Statement with this mailing, please send in your check or pay at the February 12th meeting.

I can report that many of our long time older members still support the Association even though they cannot attend our meetings regularly.

The following meetings have been booked for 2013 supported by your dues:

Feb 12th, March 12th, April 9th, & May 14th.

Our Program:

We will have an outstanding speaker for our Feb. meeting, Stephen Noble, who graduated from the Lititz Watch Technicum in 2011, will present the new training and learning program that is currently in place at LWT. This program will prepare the graduate to take the "CW21" exam, and then be able to work as a watchmaker for a high end jewelry store.
