PRESIDENT'S MESSAGE:

Dear Fellow Members of the Watchmakers' Association of New Jersey,

The next meeting will be **next Wednesday at 7 p.m.** and please note we will not be the usual location. This meeting is being held at **Tarantella's Ristorante in Clark, NJ.**

We had thought we were going to have to end our meetings early this year as there were no dates available at St. Helens. Due to interest from members for an additional meeting and our desire to discuss specific issues, we have arranged this meeting outside of the church.

We will be discussing a letter which I wrote to our Congressman. The letter outlines the unfortunate anti-competitive practices that are affecting all independent watchmakers and our inability to access replacement parts from many Swiss watch manufacturers.

Dues may be mailed to Hans Weber, 93 Cornell Avenue, Hawthorne NJ 07506. He may be contacted at (973) 423-1654.

Despite the unexpectedness of the meeting I really hope you will attend and look forward to seeing all of you on Wednesday, July 22 at 7 at the restaurant.

Sincerely,
Richard Cuny, CMW
President, Watchmakers' Association of New Jersey, Inc.
