President's Message:

Our April meeting produced some progress in our quest to find a less expensive meeting place. Our long time members Silveo Colletti and Manuel Silvestre suggested 2 meeting places, which Hans and I will be looking into. We are also considering the Cranford Community Center in town.

The scheduled showing of a DVD about Huygens Marine Timepieces did not go on, due to audio difficulties. We enjoyed instead Dale Sutton's collection of Omega Watches.

By popular request we had a 50/50 raffle again. The winner was very generous and returned his share to the treasury. I also have to acknowledge 2 very generous contributions, which were given anonymously. Thank you to all 3 members for their generosity.

OUR 73TH ANNIVERSARY MEETING:

A show of hands gave us a good idea how many persons we can expect for the May 14th meeting. Dr. Henry Shotwell is coordinating the food and drink donations. Please call him at (973)-366-4660 to say what you will bring. We are expecting about 25-30 guests.

Also we could use some volunteers for a clean up crew.

We will have free tables for a buy, swap, and sell.

Also a 50/50 raffle.

Hope to see you all for our 74th Anniversary party.

Mike Osnato – President
