President's Message:

Dear Fellow Members of WANJ,

November 6, 2012

The November 13, 2012 meeting of Watchmaker's Association of New Jersey is cancelled due to Hurricane Sandy.

The devastation of Hurricane Sandy to our region has left many of the local towns devastated and power is still out in many regions. Some of you may still be without power.

Our thoughts and prayers go out to all and we hope that no one suffered personal injury to themselves or their families.

No plans have been made as to rescheduling the November meeting yet.

In an attempt to improve our communications please forward your email address to Dale Sutton, dales37@comcast.net, who will build an email database and will be sending out future President's messages and important updates via email as well as the normal mailing.
