PRESIDENT'S MESSAGE:

Welcome WANJ members. First of all I would like to thank Adolph for his presentation last month on setting up a modern repair shop. Members in attendance were treated to a very lively discussion.

Early in November we had our semi-annual directors meeting, and out of it came some very interesting program ideas for 2014. One of which is to have learning workshops in watch and clock repair for our members only at a nominal fee. By renowned instructors.

Just a reminder, our 75th anniversary is just around the corner. We are thinking of having an anniversary party at a local restaurant and need your input.

Elections for next year (2014) will be held at our November meeting.

As has been our custom, we will have free tables for buy, sell, and trade actions as well as the 50/50. Hope to see you there.

Mike Osnato
President
