www.WANJ.US

Please see the website's homepage for a link to directions. It's within 10 minutes of the VFW Hall.

**TIME:** Monday October 21<sup>st</sup> 2013 at 7:00pm

### **PRESIDENT'S MESSAGE:**

I thought we had a very good turnout for our September meeting, and I thank all of our members who came.

We were fortunate to have a fellow Horologist, Mr. Clive Steer, from England, who had a very interesting presentation on a unique tower clock he designed, built, and installed, and which is solar-powered I might add.

I would like to introduce a new member –Jim Ferone of L&R.

It is customary in October to have the election of officers. Presently all of our executive team wish to continue for the upcoming year. However, if you wish to add your name to the ballot for any of the positions you may do so.

For our next meeting in October, Mr. Adolph Stonitsch will have a presentation on how to set up a modern watch repair shop. In question and answer format.

Just a reminder, our 75<sup>th</sup> anniversary is just around the corner, and I would like to know your ideas as to what kind of celebration to have. I would like to discuss this at our October meeting.

Hope to see all of you at the next meeting.

Mike Osnato  
President

P.S. As has been our custom, we will have free tables for buy, sell, and trading action. I would like to thank our last 50/50 winner for his gift of his winnings back to the clubs treasury.
