PRESIDENT'S MESSAGE:

Dear Fellow Members of WANJ:

First of all I would like to thank Dale Sutton for a very informative program on Timing Machines past and present.

Second, I have the sad news to report of the passing of Past President John Prellberg and fellow long time member Norman Berger.

At our last meeting it was discussed and decided on, to continue our meetings at St. Helens through 2015. I don't know how this affects our Membership in making the new Wednesday meetings, but hopefully it will work for most. My thought is to try and get back to our long standing date of the second Tuesday of the month. St. Helen's had to change our meeting dates for this year due to Parish needs. In the meantime we are looking into the possibility of moving to St. Anne's or St. Michael's in Westfield, or a local library; just in case.

Both I and Hans Weber have decided to step down for our current posts. Hans from being our Membership Chairman, and myself from the office of President.

The slate of officer candidates for the next year are:

Richard Cuny – President
Adolph Stonitsch – Vice President
Dale Sutton – Membership Chairman and Bulletin
Hans Weber – Treasurer
Dr. Hank Shotwell – Secretary

The slate will be voted on at our next meeting on October 22, 2014.

Our presenter at the meeting will be Adolph Stonitsch who will give a presentation on Waterproofing Rolex Watches.

As usual we will have free tables for buy, sell, trade and the 50/50.

Hope to see you there!

Michael P. Osnato - President
