## **President's Message:**

Dear Fellow Members of WANJ,

I would like to thank V.P. Mike Osnato, who chaired the September meeting with great success. The following candidates were voted in for offices in the coming year. Thank you for volunteering!

President: Mike Osnato

Vice President: Adolph Stonitsch

Secretary: Dr. Hank Shotwell

Treasurer/Membership: Hans J. Weber

A thank you is also due to Dale Sutton, who reported on the AWCI Convention he attended as our delegate.

For our program in October I selected the CD-Rom of caliber ETA 7750, the most popular chronograph movement in the watch industry today. It is also the test movement for CMW21 certification. Come and refresh your knowledge on this subject. I invite members, who work with this chronograph daily, to share their experience and to answer questions.

As usual, we will have free tables for trading and selling of tools, watches, and equipment.

It is with great sadness that I have to report the passing of a colleague, coworker, and outstanding craftsman in our trade. Henry Loeser was a charter member of AWCI, past president of the Horological Society of New York, and a member of 26 years at WANJ. Henry passed on August 26, 2012. He was a mentor to me in his last position as manager of the Retail Watch and Jewelry Dept. at Cartier Inc.

I hope to see you at the meeting on October 9th!

Hans J. Weber  
President
