Treasure's Report

Hans Weber has served our Association as Treasurer for many years and deserves a great deal of thanks and appreciation for his efforts. Hans has resigned due to health reasons and Dale Sutton as agreed to accept the Treasurer position in addition to remaining as the Membership Chairman. His transition to this new roll was complicated and delayed while he received permission from his current employer. This approval was finally granted in August and he is ready to assume the Treasurer position.

There were a couple of other issues in this transition that needed to be addressed. First as was discussed at the last meeting our organization had not been paying the registration fees to the state of New Jersey for many years and we had lost our 'status' with the state. Dale worked with the state and got us reinstated also in August.

We have had our banking account at Washington Mutual Bank that has gone through several transformations and is now Chase Bank with no convenient branches near Dale. Hans has not received a recent bank statement and he is working to resolve this. We are moving our bank account to Beneficial Bank which has several branches in central and south New Jersey. To make this move we had to have 'status' in New Jersey. Rich Cuny and Dale will initially have signature authority for the account. We will be discussing our banking and investment strategy at the September meeting.

With the change we also did not do a good job in getting dues notices out and dues collected for 2016. Most have paid but there are still many of you who still owe 2016 dues. Included in this announcement is a past due statement if we don't show you have paid your dues for this year. Please bring your dues to the meeting.

Thanks

Dale Sutton

Treasurer and Membership Chairman.
