I'd like to welcome all of our members after our summer break. If you recall, at our April meeting we committed ourselves to finding a more reasonably priced meeting place. With the help of some of our members, we were able to look at several options. The best tip for a new meeting place came from our long time member, Silveo Colletti.

He suggested the facilities of Saint Helen R.C Church in Westfield. After several contacts, Hans & I visited the church. We found a large modern building where we can use a ground floor meeting room for circa 50+ persons with a T.V screen and DVD hook up.

Working out a meeting schedule was not too difficult, but we have to change our meeting date to a Monday night. I hope this compromise will meet with everyone's approval.

Our first meeting in the new location will be on Monday September 23rd 2013 at 7:30 P.M

Our program will be by our member Adolph Stonitsch. He will give an overview on how to set up a modern watch repair shop with today's system tools and equipments.

As has been our custom, we will have free tables for buy, sell, and trade action. Also, we will hold a 50/50 raffle.

I want to thank all who attended our May 74th Anniversary Meeting. By past standards we had very poor attendance which resulted in a lot of food left over. I can only hope for a better showing next year for our 75th Anniversary.

Please mark on your calendars for our new meeting dates:
