### PRESIDENT'S MESSAGE:

Dear Fellow Members Of WANJ

After our summer break I hope everyone is eager to meet again. Due to some scheduling conflicts at St. Helens, we are having this next meeting on Wednesday. We will discuss at this meeting how much of an inconvenience this change of day will be, and how it might affect attendance. If you want a say in our new date for the year, please attend and make yourself known. If you are a regular attendee, and can't make the Wednesday meeting, you can email through the website which nights would work for you on a regular basis.

On July 19<sup>th</sup> we celebrated our 75<sup>th</sup> Anniversary at the Deutsche Club in Clark NJ. We had 59 people attend, including 9 members of HSNY. It was great to see many older members and some past presidents.

Our program for this month will be given by Dale Sutton, who will review the history of watch timing techniques and the instruments in use.

Our officers have announced they want to leave their positions. Here is your chance to show some leadership for WANJ's future years. We do have two volunteers for officers and need two more.

It has come to our attention that our member and past president John Prellberg recently passed. John operated a Watch Repair and Jewelry store in Guttenberg NJ at 6815 Park Ave 07093.

We will continue our tradition of free tables for buy, sell, and trade. And there will be a 50/50 raffle.

Treasurer
